Dear Parents and Guardians,

During the week of Camp Broadway, your theater-lover will work on material to be performed on Friday at the Family Finale. At this performance, you will see both a musical and a finale that all the kids at Camp Broadway will learn and perform together!

For the performance of the musical, campers will work in groups of 25. These groups are created based on age and gender. Named after the four main theater owners on Broadway, the groups are as follows:

- **Shuberts**: Girls
- **Jujamcyns**: Girls and Boys
- **Nederlanders**: Girls
- **Dodgers**: Girls and Boys

Your Camper is a NEDERLANDER and will be in *Chitty Chitty Bang Bang JR.*

Nederlanders will play Candy Makers/Fair Goers/Dolls.

For the **musical portion** of the Family Finale, we ask that campers bring in costumes they can find in their closets at home. The information below includes looks and suggestions that were curated by Costume Designer Anna Kate Reep.

While it is encouraged that you “shop your closets” for these pieces, our designer has compiled an Amazon wish list that contains some examples of these wardrobe pieces at low prices should you need to purchase anything.

For the **finale portion** of the Family Finale, we ask that campers arrive on Friday wearing black bottoms and a clean Camp Broadway t-shirt.

If you have any questions, please let your camp contact know!

Thank you,
The Camp Broadway Staff
